

# Our Mission Statement

"St Vincent's Nursery aims to provide a family-friendly, loving, learning environment. Our children are nurtured to be imaginative, independent and to reach their full potential.

We strive to support each and every child who attends our wrap-around sessions and to enable them the opportunity to flourish during their time within our care."

# St Vincent's Nursery Reception Wrap-around Care

---

*"Shall I help you with your tea?"*

## Tea Time Care

Our tea time care runs from 3:30 – 6:00pm

The cost of each after school session is £10.55

This is time for the children to relax after a hard day's work at school. The children are provided with a hot meal and dessert, all prepared by our onsite qualified chefs. After this the children are able to take part in an evenings club activities, as well as having a choice of areas throughout the nursery to play.

### Tea Time Clubs

Our tea time clubs include:

- Craft Club
- Sports Club
- Homework Club
- Baking Club
- Science Club

Each tea time session has one club assigned to each night. The sessions are lead by a member of staff and planned specifically to engage the reception aged children.

*"Baking club is the Best!"*

## Breakfast Care

Our breakfast club runs from 7:45 – 8:50am

The cost of each breakfast session is £5.15

### Breakfast

Breakfast includes a choice of cereal or porridge, fresh fruit, toast, pancakes, bagels or croissants as well as a choice of milk and water to drink.

*"I Love the food at nursery, because I'm always hungry!"*

After breakfast the children have a range of activities and number of areas to play in throughout the nursery, enabling them to interact with staff, their peers and setting an example for the younger children.

*"I like playing in the garden on the slide, bridge and bikes"*

## Key People

Each child will be assigned a 'key person'; this is a member of staff who will be responsible for your child whilst they are in nursery. They will also be the people who drop off and pick up your child to and from school.

This will ensure all communications between class teachers and parents are passed on.

### Flexible Sessions

As a nursery we pride ourselves in being very family friendly. If extra sessions are needed, depending upon the nursery's availability we try to be accommodating and flexible to help fit your schedule and requirements.
